Re: **IHFA Staff Region Changes**

---

**Notice:** FSP-02-16

This memo outlines staffing changes that are taking place within the Community Development Department of the Indiana Housing Finance Authority (IHFA). Changes are being made for both Development and Compliance as outlined below.

#### Development

Development Specialists are transferring to new regions effective immediately. The region of the state and the corresponding Development Specialist will now be:

- Northwest—Brian Philps
- Northeast—Jacob Sipe
- South—Vacant

The Southern Region of the State currently does not have an assigned Development Specialist. Until this position is filled, questions may be directed to the Development Manager.

#### Compliance

In the past, award recipients have been assigned Compliance Specialists based on their geographic location within the State. Beginning with the Round 1, 2002-2003 Housing From Shelter to Homeownership award announcements, award recipients will instead be assigned a Compliance Specialist.

For those recipients that were funded Round 1, 2002-2003, the Compliance Specialist assignments will be announced at the Start-Up Training on October 23, 2002. In the future, award recipients will be notified of their Compliance Specialist with their award documents.

For all other open awards, there has been no change in Compliance Specialist assignments.

For further clarification of these staffing changes please contact Erika Scott, Development Manager, or Michelle Kincaid, Compliance Manager.
